Dear Sir/Madam

Initial Application for Hackney/Private Hire Drivers Licences

If you have any previous criminal convictions recorded against you, or you have been disqualified from driving in the past, please ensure you speak to the Licensing officer before proceeding with your application.

All new applicants must complete the following stages.

1. Provide evidence of being a fit and proper person by undertaking a criminal conviction enquiry with the Disclosure and Barring Service (D.B.S).

You will need to make an appointment to see the Licensing Officer on (01444) 477335 in order to complete a D.B.S enhanced disclosure application form and a DVLA authorisation form.

Please ensure you bring to the appointment evidence of all addresses you have lived at in the preceding **5 years** a current **Passport**, your **DVLA Drivers Licence** your **Birth Certificate**, a document showing your **National Insurance Number** (National Insurance Number Card or Inland Revenue form or correspondence) plus at least **two utility bills** (Gas, Electricity, etc) which show your current address and are no more than 3 months old).

Only original documents will be accepted.

Your fee is also required at this stage-see <http://www.midsussex.gov.uk/planning-licensing-building-control/licensing/taxi-licensing/>

All payments should be by debit/credit card or cheque/postal order (made payable to Mid Sussex District Council).

All licensed drivers will be required to evidence continuous registration with the DBS update service to enable the licensing authority to routinely check for new information every six months. The Update Service allows the applicant to pay a subscription fee direct to the Disclosure and Barring Service, in return for ongoing monitoring of the official records for information relating to the applicant. Subscribers will be able to give employers and licensing authorities permission to carry out a status check, in order to verify whether an original DBS certificate remains valid, even if it is several years later.

2. All applicants who have been resident outside the United Kingdom **for more than 3 months** at any time from the age of 18 must obtain a **Certificate of Good Behaviour** from the Police in each of the County, District or Province of the Country (ies) that they have lived in during this period prior to moving to the United Kingdom.

The Certificate(s) must be translated into English and must be certified by the Embassy of the Country (ies) concerned.

3. Any applicant who is resident in the United Kingdom under the terms of a **Student Visa** can be licensed but is not permitted to be self employed and is restricted to working 20 hours a week. You will be required to produce evidence that you are properly employed before any licence is issued.
4. Provide evidence of your Driver licence history by obtaining a DVLA Check Code. This can be obtained from www.gov.uk/view-driving-licence by entering your driver number and National Insurance Number and Post Code. Please note the check code is case sensitive.

7. Pass a knowledge test of the Mid Sussex District Council area. This test is held once a month. **The knowledge test must be booked in advance and payment made at the time of booking.** It is recommended that you obtain a street map of the Mid Sussex District Council area, make use of the internet and the Taxi Licensing policy on our website.
8. Passing a D.O.T. approved medical by your own doctor. It can take up to four weeks to obtain an appointment with some GP's so it is advisable to take this into consideration.

10. Provide evidence of a right to work (see Notes below).

Please note that the D.B.S. and reference checks will only be valid for six months from the date of issue

Notes

Tax Conditionality Check Code

The Finance Act 2021 introduced additional checks as part of applications to renew licences for taxi and private hire drivers, private hire vehicle (PHV) operators and scrap metal dealers in England and Wales. From 4 April 2022, these licence applicants must complete a 'tax check' and licensing bodies must confirm that an applicant has completed the check.

From the 4th April 2022 Licence applicants must complete a 'tax check' and licensing bodies must confirm that an applicant has completed the check.

The licence holder will be able to complete this tax check on GOV.UK through their Government Gateway account.

The licence holder will have to set Government Gateway account if they do not already have one.

Once the licence holder has completed the tax check, they will get a code. This code must be passed to the Licensing Authority, **an application cannot be proceeded with until the tax check is complete, a licence due for renewal will be suspended until such checks are complete.**

Right to Work Checks

With effect from 1st December 2016 the Council has a legal duty not to issue operator or private hire or taxi driver licences to people disqualified by their immigration status from holding them. This has been introduced by the Government in order to prevent illegal working in the private hire vehicle and taxi sector.

The Immigration Act 2016 states that for all Operator and Taxi/Private Hire driver licence applications made (sent) on or after 1 December 2016, the Licensing Authority must comply with the legal requirement not to issue a licence to someone who is disqualified from holding the licence by reason of their immigration status.

The Licensing Authority must discharge this duty by requiring the applicant to submit one of a number of prescribed documents which show that the applicant has permission to be in the UK and undertake work as an operator or PHV or taxi driver.

The check must be performed when the applicant first applies for a licence or first applies to renew or extend their licence on or after 1 December 2016. For those who have time-limited permission to be in the UK, the Council must repeat the check at each subsequent application to renew or extend the licence until such time as the applicant demonstrates that they are entitled to remain indefinitely in the UK.

Therefore, we must conduct 'right to a licence' checks on all applicants for operator or PHV or taxi driver licences. This means we will ask ALL applicants for such licences to provide us with one of the original documents/combination of documents set out at Annex A.

To ensure that we do not discriminate against anyone, we will treat all licence applicants in the same way when they first apply or renew their licence on or after 1 December 2016 during the licence application process. This demonstrates a fair, transparent and consistent application process. No assumptions will be made about a person's right to work in the UK or their immigration status on the basis of their nationality, ethnic or national origin, accent, the colour of their skin, or the length of time they have been resident in the UK.

The list of documents is set out at Annex A. You must provide the original document(s), as indicated in the published guidance, so that the check can take place. The document(s) will be copied and the copy retained by the licensing authority. The original document will be returned to you.

Additionally certificates are called for when a driver's fitness is in question.
2. It is essential that when an application is made, each applicant answers the questions to his or her fitness fully and truthfully. It is an offence, without reasonable cause, to fail to give information or make a false statement knowing it to be false. The maximum penalty for this offence is £100 and there could be grounds for refusing to issue or renew the licence or for revocation or suspension of same.
3. When making an application you must disclose any condition, treatment or disability you have **ever** had which comes under any of the following headings:

This includes any condition which may impair your ability to control the vehicle or to give reasonable assistance with passenger's luggage.
 - **Other Conditions**

4. These procedures may result in some drivers who had previously been certified as fit being unable to continue as a hackney carriage or private hire driver. If a medical report indicates that this may be the case, the applicant should, in the first instance, discuss this with the doctor carrying out the examination.

DSA DRIVING ASSESSMENT

All new drivers must complete successfully a taxi driving assessment to an equivalent standard required by the Driving Standards Agency (DSA). These assessments show that their driving skills are at a nationally acceptable level.

Before you are issued with a Hackney Carriage or Private Hire Driver's Licence you must pass an assessment. It is recommended that you familiarise yourself with the contents of the assessment and we recommend that you take professional instruction prior to taking the assessment.

An additional assessment is required for drivers of wheelchair accessible vehicles.

The assessment is intended to fulfil one of the requirements of the Council taxi licensing procedures. The assessment will be carried out in accordance with the criteria drawn up by DSA which can be provided on request.

There are a number of companies and private individuals authorised to conduct Taxi Driver assessments. In order to establish consistency for all applicants, the Council will only accept assessments to a standard set by the DSA and conducted by assessors who are DSA authorised.

The Council reserve the right to make such enquiries as necessary in order to satisfy themselves about the competence of the examiner and the standard of the test conducted.

Therefore, applicants will be required to provide details of their test and examiner to the Council. Currently the following providers are verified to conduct assessments to the required standard

Taxi Licensing – Knowledge Test

It is the responsibility of the Licensing Authority for Hackney Carriages and Private Hire Vehicles to determine whether applicants for driving licences are fit and proper persons. Part of this process is establishing whether the applicant has sufficient knowledge of the area, knowledge of licencing conditions, basic numeracy and basic customer service to provide a reasonable and reliable service to the fare paying public. Each applicant must pass a knowledge test set by Mid Sussex District Council, the pass rate being 75%. Exams are held once per month. The cost of the exam is £30.00 for each attempt, payable **at the time of booking in advance** by cheque or card. **Cash will not be accepted.**

Each test will comprise of two sections. The first section consists of twenty short questions regarding locations throughout the District. You are strongly recommended to study before taking this test. The applicant will be expected to identify in the exam the location of a particular place by giving the road name or road number and the town or village it is situated in, e.g. **London Road, East Grinstead or A22 East Grinstead**. The applicant must also have knowledge of all the A roads within the area which should include the direction in which they run and the names of the towns and villages that they run through.

The second section of the test consists of 12 multiple choice questions which will check the applicants' knowledge of licensing conditions, legislation applicable to Taxi and Private hire vehicles, basic numeracy and basic customer service.

An example of these questions would be:

Which of these, if any, can park on a taxi rank?

- A. any licensed taxi,
- B. any licensed taxi or private hire vehicle,
- C only a taxi licensed by the local licensing authority,
- D. no vehicles.

A candidate must achieve a pass rate of 75% in both sections of the exam to be successful. The exam length is 45 minutes.

All applicants are required to bring along photo ID, either Passport or Photo-card Driving licence so their identity can be verified prior to taking the exam to ensure that the test is not taken on their behalf by a third party.

To aid study, applicants are advised to research the area of Mid Sussex District Council and are advised to make use of street maps and the internet, paying particular attention to public buildings, sport facilities, educational establishments and business premises.

The licensing conditions for Hackney and Private Hire Vehicle and Drivers can be found on the Mid Sussex District Council website in the Taxi Licensing section and the Taxi and Private Hire Policy.
