

# Fry Crescent Play Area improvements - what do YOU want?

Mid Sussex District Council will be carrying out improvements to this play area. We will remove the existing slide unit and springers and replace them with new items.

We would like to know which of these 4 options you would like to see go in the space left when we take the old kit away.

**OPTION 1**

- Fun and friendly design
- Easy access steps
- Climbing ramp
- Posts in coated Aluminium
- Steel Slide

**OPTION 2**

**OPTION 3**

**OPTION 4**

- 1.4m Wide Accessible Net
- Social Seating
- Inclusive Decks
