

SETTLEMENT SUSTAINABILITY REVIEW

ADDENDUM 22 JULY 2015

It has been drawn to the Council's attention that Table 6 on pages vi and vii of the Settlement Sustainability Review, contains some errors and omissions.

The table below corrects these errors and omissions. These do not alter the Proposed Settlement Categories detailed in Section 4 of the Review.

If you have any questions please call Planning Policy on 01444 477053

Notes: 1 – Banking facilities are available in some Post Office branches 2 – Some cash machines are located inside shops/ public houses but essentially provide service if required, during business hours. 3 – Includes outreach surgery services. 4 – All residents have the opportunity to access the WSCC e-Library service. The table only shows those villages with a library or visited by the WSCC mobile library service. 5/6 - Significant local employment opportunities for local resident population based on distance travelled to work. Significant employment based on 10% of residents travelling within 2km and 20% travelling within 5km of home to work, benchmarked against “rural settlement mean” - 8.3% and 20% respectively (excluding work at

home data). 7 – Based on peak time hourly service to nearest town and/ or railway station (at least an hourly service). 8 – Provision of minimum 2 hourly service during business hours to nearest town and/ or local service centre to allow access services and facilities. 9 – Private facility requiring membership. 10 – Restricted opening hours.
