COUNCIL TAX DISCOUNT APPLICATION FORM FULL TIME STUDENT

Please return this form to the PO address above.

Information will only be used by Mid Sussex District Council and its employees in accordance with the Data Protection Act 1998. Mid Sussex District Council will not supply information to any other organisation or individual except to the extent permitted by the Data Protection Act and which is required or permitted by law in carrying out any of its proper functions.

A full time course of education is defined as one which continues for at least one academic or calendar year, where the person undertaking it is normally required to undertake on average, 21 hours of study, tuition or work experience, for at least 24 weeks in that year. Please note that with the exception of the initial training of teachers in schools, periods of work experience should not exceed periods of study/tuition for the course as a whole.

You should also enclose a certificate from the College/University confirming the person's student status. An acceptance notice to attend the College/University is not acceptable.

The student certificate should contain the following information:

- The full name of the person engaged in the full time course education
- The start and end dates of their course
- Confirmation that it is a full time course of education

In addition to the discount, the property could be fully exempt from Council Tax if all the occupiers are students (full time students, or further education students aged 18 or 19), or the only other occupiers are the non-British spouse or non-British dependant of one of the students (whose entry into this country prevents them from taking paid employment or claiming benefits).

If you think this exemption might apply, please contact the Council Tax office with details.

Should the circumstances of the person studying or the number of adult persons in the household change after you have completed the form, you must notify the Council Tax office within 21 days of the change. In the meantime, if you have any queries, please contact the revenues department.
