**Notes:**

'Completions' are residential units which finished construction between 1st April 2012 and 31st March 2013 on all sites across the District. Some larger sites deliver completions across several years.

Mid Sussex District Council completion figures may differ from West Sussex County Council completions figures to be published in due course. This is caused by monitoring over a different period of time and does not affect the accuracy of either dataset.

Following final year reconciliation of completions, the Net all completions figure for 2012/2013 has reduced from that previously published.
