**Notes:**

'Completions' are residential units which finished construction between 1st April 2011 and 31st March 2012 on all sites across the District. Some larger sites deliver completions across several years.

Mid Sussex District Council completion figures may differ from West Sussex County Council completions figures to be published in due course. This is caused by monitoring over a different period of time and does not affect the accuracy of either dataset.

2011/12 completion figures differ from draft figures published in June 2012 Council Report following final compilation of data from all sources.
