Dear Mr Tunnell

Mid Sussex District Plan 2014-2031

Thank you for your letter of 24 February.

The Plan does not actually need to identify every deliverable site or even land for the whole of the plan period. It should simply contain the policies and the framework for the housing requirement to be achieved. I am giving the Council the opportunity of undertaking the further work to put those policies in place.

I hope we can make some good progress in scoping the further work on Friday 3 March and I can assure you that I will give full and fair consideration to the results of that work to ensure a sound Plan.

Yours sincerely

Jonathan Bore
