Best practice in Community Led Housing

Join us to learn about transforming the delivery of locally affordable homes through community led housing

This is an opportunity to:

- Enhance your understanding of community led housing options and benefits
- Be better informed about central and local government policy
- Help you to identify opportunities to take forward more community led housing
- Find out about best practice...what works and the pitfalls to avoid
- Learn about the resources available
- Network with key stakeholders to improve delivery
- Be able to question and learn from experts in the field

Our event is aimed at anyone who is or could be involved in Community Led Housing, including:

architects, community led housing practitioners (existing & potential), developers, funders, landowners and agents, local authorities – housing enablers, planning officers & councillors and delivery partners including housing associations

Our speakers will be:

Charles Roberts - East Cambridgeshire District Council / Streatham Community Land Trust

Tom Chance - National CLT Network

Amy Fearn – Rother District Council

Andy Elder – Arun District Council

Tom Warder - Sussex Community Housing Hub

Graham Maunders – Sussex Community Housing Hub

Lucas Shone - Boutique Modern

Will Anderson - Rabble Place Architects

TBC - Homes England

Each event has limited places – to avoid disappointment and secure your FREE place
