

Eco Art is FREE art

All you need is the following kit and off you go.

Eco sculpture

Brain and imagination!
Scissors (blunt ended for younger children)
PVA glue, pot and spreader
Sellotape or masking tape
Glue dots if you have them
Ruler
Piece of scrap paper for planning
Pencil, rubber, felt pens, crayons, pastels etc
Paint, pots, brushes and lots of newspaper!
Waste resources otherwise known as art resources, here are a few ideas:

Design a poster

Brain and imagination!
Paper
Ruler
Piece of scrap paper for planning
Pencil, rubber, felt pens, crayons, pastels etc
Paint, pots, brushes and lots of newspaper!
You might choose to incorporate waste resources or otherwise known as art resources – your choice!

***Great chance for 5 – 16 year olds to enter an environmental art competition
'Clean up and Create' a Bright New Future with 16 x £150 prizes to be won!***

Sussex Green Living and the South Downs National Park are running this environmental art competition. Suitable for schools, uniformed groups and children/young people at home. The deadline for the competition is 10th July (but might be reviewed). Any queries contact Carrie on cort@sussexgreenliving.co.uk.

You'll find posters, entry form, terms & conditions and learning resources on this page
