

You need:

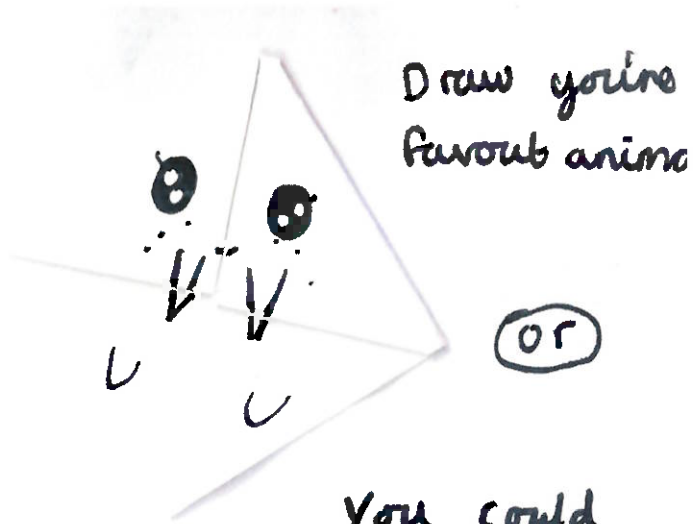

scissors

1 a4 piece of paper

colouring pens (pencils)

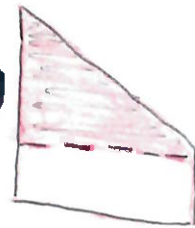

glue (decoration)

origami book mark:

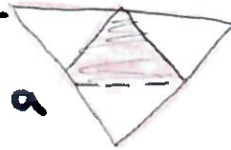

You could try draw a pattern

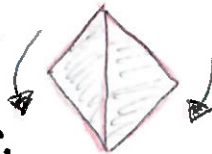

① cut out a square by folding one corner as far as it turns to make a square.

② (save the remaining paper for decoration) it should look like a triangle turn up side down. Fold one of the top corners up.

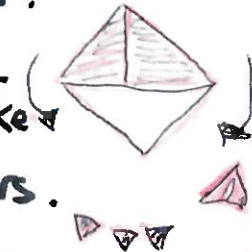

③ Turn the top corner on one side down then do the same on the other.

④ Take the flaps and tuck under.

⑤ Now use the extra paper to make details like teeth, horns or flippers.

⑥ For the final part colour the book mark in and you're ready to read!
