## Licensing Objectives

### Describe the steps you intend to take to promote the four licensing objectives

General - all four licensing objectives (b,c,d,e):  
Please list here steps you will take to promote all four licensing objectives together.

The sale of alcohol is a small addition to our business designed to add something extra to the gift of flowers. In all instances we will train to the standards of the challenge 21 scheme. We will limit the sale of alcohol per customer.

We will only sell alcohol as an addition to the sale of flowers/plants and this will be limited to 1 bottle per bouquet of flowers.

The prevention of crime and disorder:

We will only sell alcohol as an addition to the sale of flowers/plants and this will be limited to 1 bottle per bouquet of flowers.

We will not sell to anyone who appears to be under the influence of drugs or alcohol

The premises are covered by CCTV

Public safety:

We will not sell to anyone who appears to be under the influence of drugs or alcohol.

We will not sell alcohol without the sale of plants or flowers and will be limited to one bottle per bouquet

The prevention of public nuisance:

We will advise that all sales of alcohol are for the intended recipient of the flowers and should not be consumed in the vicinity of the shop.

If we observe this happens we will exercise common sense and refuse to serve alcohol to those individuals in the future.

The protection of children from harm:

All staff are trained to understand the Challenge 21 scheme and to seek proof of age when selling alcohol.

No proof of age and no sale.

This includes when the goods are delivered. The driver is also trained to the standards in the challenge 21 scheme and will seek proof of age of the recipient. If the driver is unable to determine the recipient is over 18 then no alcohol will be delivered.
