Dear Sally and Andrew

Re: Land North of A2300; preferred site allocation for a Science and Technology Park

Further to the formal representation on behalf of our client's Glenbeigh Developments Ltd and Wortleford Trading Company Ltd for the above site (ref. Project Newton) as sent separately by Suzanne Holloway of Vail Williams LLP, please now find enclosed 3no. printed paper copies of the supporting Positioning Statement and 1no. CD and USB Drive with both the Positioning Statement and additional Technical documents as the appendicies.

Should you have any questions or queries regarding the document, files or technical information then please do not hesitate to contact the project team.

Yours sincerely,

Steve Duffy
