AW

Dear Ms Jackson

Thank you for your email. I will respond on landscape matters later this week, as previously advised.

The consultant's report will be submitted to us on 17 November, and will be displayed on the website then. If this changes, I will let you know.

Can you please confirm whether you will be responding to the council's EOT request, as previously set out?

Regards

Dear Andy

Thank you for your email.

Are you able to update me on landscape matters following your meeting yesterday with Virginia Pullan?

Given you now have a confirmed delivery date of 17 November are you able now to confirm who is carrying out the Crematorium need assessment on your behalf?

Kind regards,  
Lisa

Dear Ms Jackson

Thank you for your email.

I will discuss Mark Gibbins' letter with Virginia Pullan on Monday and will update you on landscape matters later next week (as previously advised).

I would also advise that our consultant assessing the need case will be submitting their report on 17 November.

I re-iterate my request for a response to our extension of time letter from 27 October and my email of 2 November, based on the timelines I have set out now and previously.

Regards

**Subject:** DM/20/2877 - Landscape Consultation Response Version 4

Dear Andy,

I attach a letter in response to the fourth version of the landscape comments to the above application from our landscape expert Mark Gibbins.

I have copied Thomas Seccombe to this email so this letter can be uploaded to your website as I suspect with the Lockdown restrictions you are working from home?

I reiterate the suggestion in the letter by Mark that we believe it would be useful to agree common ground on landscape matters and think another 'Teams' meeting might be the best way forward?

I look forward to your response.

Kind regards,  
Lisa
