Subject: DM20/2877 - Outline application for crematorium at Turners Hill

Good morning Andy,

Worth Parish Council monitors applications in neighbouring parishes, and the above application was discussed last night at a Planning & Highways Committee meeting.

The Committee understands that no requirement for an Environmental Impact Assessment has been identified. It suggests that an EIA is necessary, as it raised concerns that emissions could affect the residents of Crawley Down and beyond.

I would be grateful if you could take our comments into account when considering this application

Many thanks

Regards,

Jennifer Nagy
