Mid Sussex District Council

MSDC – 06 b Response to AP4 Matter 3.4

Updated Housing Land Supply Trajectory

11<sup>th</sup> June 2021

# 1.0 Updated Housing Land Supply

1.1 The Council undertakes housing land supply monitoring on an annual basis. This work involves updating the both the commitments and delivery of housing across the District. Work is now complete to update the housing land supply position as at 1<sup>st</sup> April 2021.

# Commitments

- 1.2 **Appendix 1** sets out the housing commitments as at 1<sup>st</sup> April 2021, which is 9,140 units. The commitments list is made up of allocated sites (in Neighbourhood Plans and Development Plans adopted by the District Council), as well as sites with planning permission.
- 1.3 These commitments will contribute to the housing land supply that will deliver the District Plan Housing requirement. **Appendix 2** set out a trajectory of housing delivery over the plan period. This trajectory includes the supply from the Sites DPD sites. A breakdown of the trajectory for the sites included within the Sites DPD is set out in **Appendix 3**.

# Completions

1.4 There were 1,116 completions on housing sites during 2020/21. These are listed at Appendix 4. This brings the total completions since the start of the plan period to 6,033 units as set out in the table below:

	2014/2015	2015/2016	2016/2017	2017/2018	2018/2019	2019/2020	2020/21	Total
Requirement	876	876	876	876	876	876	876	6132
Completions	630	868	912	843	661	1003	1116	6033
Shortfall	-246	-8	+36	-33	-215	+127	+240	-99

Table: Housing Completions since start of plan period.

# 2.0 Update to DP4: Housing

- 2.1 The minimum residual housing requirement within the adopted District Plan is 2,439 dwellings. This was based on the position 'as at 1st April 2017' which was the most up-to-date monitoring position at the time of the District Plan's adoption. This accounts for completions from start of the plan period (2014/15) to 2016/17, commitments, strategic allocations and an allowance for windfall of 45dpa from year 6 onwards.
- 2.2. As set out in MSDC 02c i, at page 1, due to completions and updated commitments and an increase to the windfall allowance, the minimum residual housing requirement has reduced. The changes can be summarised as follows:

	<b>District</b> <b>Plan</b> (as at April '17)	Regulation 18 (as at April '19)	<b>Reg19 /</b> <b>Submission</b> (as at April '20)	Examination update (as at April'21)
District Plan Requirement	16,390	16,390	16,390	16,390
Completions	2,410	3,914	4,917	6,033
Commitments (planning permissions, District Plan allocations and Neighbourhood Plan allocations)	11,541	10,381	9,689	9,140
Windfall (commitments)	450	588	504	420
Residual Requirement	2,439	1,507	1,280	797

Table 2: Residual Housing Figures

- 2.3 The updated residual figure is fully supported by the evidence presented in this paper and has been updated at each stage of the DPD preparation to reflect the latest position base on accurate and up- to-date data.
- 2.4 The update to the minimum residual figure has impacted on the over-supply that the adoption of the Sites DPD. As the table below demonstrates, there will now be an over-supply of 937 units. This represents an increase of 453 units over the 484 oversupply that is set out in the submission version of the Plan.

	Examination update (as at April'21)
District Plan Requirement	16,390
Completions	6,033
Commitments (planning permissions, District	
Plan allocations and Neighbourhood Plan allocations)	9,140
Windfall (commitments)	420
Site Allocations DPD	1,734
Total supply during plan period	17,327
Over supply	+937

Table 3: Total Housing Supply

2.5 The oversupply of 937 units provides further flexibility to the land supply over the Plan period, and further negates the need to allocate additional sites as suggested by some parties.

## APPENDIX - 1

Mid Sussex District Council: Commitment Schedule as at 1st April 2021 large sites (5+ units) over Plan Period

Sites Under Construct	ion								
Town / Parish (NP Area)	Ward	Site Address (sites of 6+ units)	Overall Total (Gross)	Overall Losses (Gross)	Overall Cmpltns (Net)	Total Remainin g (Net)	PP Ref #	PP Lapse Date	SHLAA ID#

(Net) Completions on small sites	84

'Completions' are residential units which finished construction between 1st April 2020 and 31st March 2021 on all sites across the District. Some larger sites deliver completions across several years. Mid Sussex District Council completion figures may differ from West Sussex County Council completions figures to be published in due course. This is caused by monitoring over a different period of time and does not affect the accuracy of either dataset.

## Completions Schedule: Large sites (5+ units) from 1st April 2020 to 31st March 2021
