

Dear Charlotte

Thank you for the email, I just want to send a response from Sussex Wildlife Trust (SWT) regarding MSDC-14: Response to Action Point 17

Matter 6.6: Policy SA37: Burgess Hill/ Haywards Heath Multifunctional Network Action Point.

<https://www.midsussex.gov.uk/media/7128/site-allocations-dpd-msdc-14-sa37-ap17.pdf>

I note the Council proposes a minor re-ordering of the policy wording to incorporate both the original text and the suggested additional text from the Sussex Wildlife Trust. I am wanting to confirm SWT are happy with the reordering suggested for this modification.

Kind Regards
Laura Brook
Conservation Officer
