Licensing Objectives	
objectives (b,c,d,e): Please list here steps you will take to promote all four licensing objectives together.	All staff to receive full training on all of the premises licence policies and requirements for the four licencing objectives.  The four licensing objectives will apply across on and off sales as well as online sales via a web platform.  All forms of advertising and promotional literature detailing the sale/delivery of alcohol (including internet sites and flyers/leaflets) will clearly state that a challenge 25 policy is in place, the recommended forms of ID accepted, and that alcohol should only be purchased for intended recipients, who are aged over 18.  All off-sales of alcohol made via the premise or via delivery order service will be made in sealed containers only. Customers may provide their own bottles to the premises for filling with drink, in which case if the bottle is hand tightened after refilling it will comply with this condition.  Alcohol deliveries will only be made to a residential, church, community hall or business address.  For deliveries where the alcohol is delivered by a third party where the DPS has no direct supervision or control over the delivery and delivery is anticipated to take more than 24 hours (such as an independent courier or Royal Mail):
	<ul> <li>All forms of advertising and promotional literature detailing the delivery service (including internet sites and flyers/leaflets) will clearly state that alcohol should only be purchased for delivery to intended recipients (or persons who will accept delivery on behalf of the named recipient) who are aged over 18.</li> <li>In the event that the person ordering and paying for the alcohol nominates another person as the recipient of the alcohol, as a gift etc, the person ordering and paying</li> </ul>

for the alcohol will be required to state as part of their order that the recipient is aged over 18.

# The prevention of crime and disorder:

A fully operational CCTV system, as approved by the local authority with appropriate signage, indicating its operation.

All beverages will be served in toughened glasses.

Where glass bottles are to be used the contents will be decanted into a toughened glass where it is not intended that the contents are to be consumed directly from the bottle.

All empty bottles & glasses to be removed from public areas as soon as possible. Bottle bins for collection or empty bottles will not be accessible to members of the public.

Customers will not be permitted to take open containers of alcohol or soft drinks off the premises.

All instances of crime & disorder will be reported to the police as soon as reasonably practicable, with evidence provided, where possible.

We have estimated a capacity limit of 60, to prevent over crowding which could lead to crime and disorder. The capacity limit is based on the following: Serving area/retail space at 0.3person per sq m, i.e. 42m x 0.3 = 12 people

Seated area at 1 person per sq m, i.e.  $42m \times 1 = 42$  people Accounting for an additional 4 staff at any one time, would reach the capacity at 60.

Capacity would be reviewed regularly based on table occupancy and strictly no standing in the serving/retail area.

Staff will be trained & signs put in place to ask the customers to leave the premises and surrounding area in a respectful manner.

All staff members engaged, or to be engaged, in selling alcohol shall receive full training pertinent to the Licensing Act, specifically in regard age-restricted sales, and the refusal of sales to persons believed to be under the influence of alcohol or drugs.
