

PUBLIC NOTICE

In accordance with Regulation 36(1) of The Representation of the People (England and Wales) Regulations 2001, as Electoral Registration Officer for Mid Sussex District Council (the principal electoral authority), I hereby give notice of my intention to publish a revised version of the full electoral register for 2023, and subsequent years. This will occur on 14th December 2022 by publication in Mid Sussex Times and by posting a copy of it at the offices of Mid Sussex District Council at Oaklands, Oaklands Road, Haywards Heath, West Sussex, RH16 1SS and on our website: www.midsussex.gov.uk

Such revision is necessary to reflect a new scheme of polling districts that arise from local government boundary changes approved by Parliament following an Electoral Review of Mid Sussex District Council, which was recently conducted by the Local Government Boundary Commission (England) in accordance with the Local Democracy, Economic Development and Construction Act 2009.

The Commission's final report and maps depicting the new electoral arrangements that are effective at scheduled local government elections in May 2023 are available here: www.lgbce.org.uk/all-reviews/south-east/west-sussex/mid-sussex
