Will not be any entertainment.

## Objectives

### Licensing Objectives

Describe the steps you intend to take to promote the four licensing objectives

Please list here steps you will take to promote all four licensing objectives together.

The licensable activity would only be the Provision of Late Night Refreshment. The only hours for this will be Friday and Saturday nights and would be 2300 – 0030

The prevention of crime and disorder

I could consider putting in the following in addition to CCTV:

Public safety

An incident log will be maintained at the premises showing a detailed note of incidents that occur in the premises. The incident log will be inspected and signed off by a person with delegated authority at least once a month. The logbook should be kept on the premises and be available for inspection at all times the premises are open by officers of any responsible authority.

The prevention of public nuisance

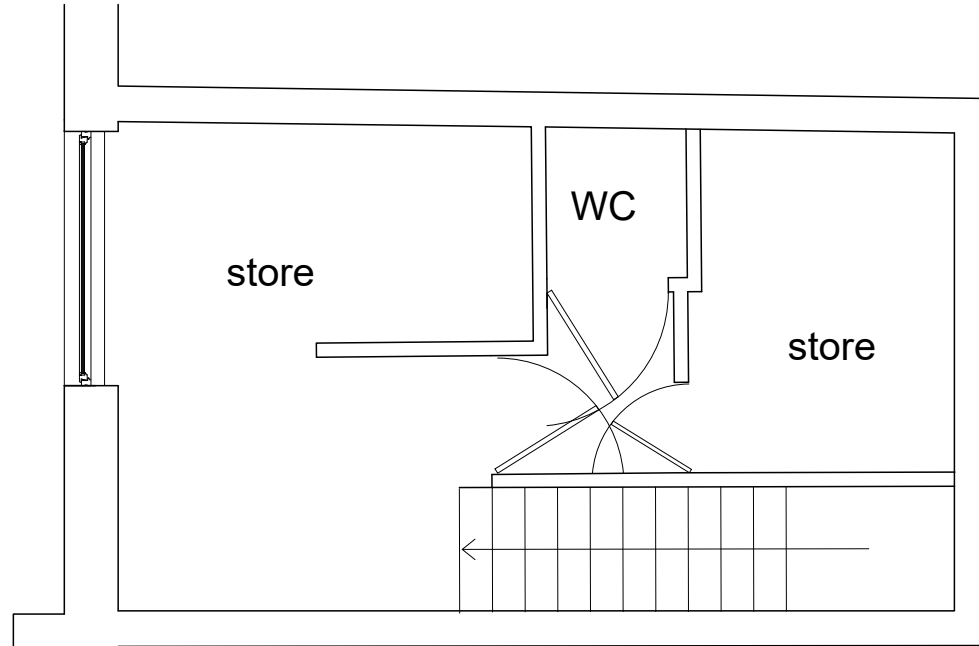

The premises management will ensure that all delivery drivers either directly employed or via an agent or sub-contractor will behave appropriately whilst attending the premises to collect deliveries and will park vehicles legally and not on pavements or double yellow lines whilst waiting for and collecting deliveries and will not ride vehicles on pavements.

Signage shall be displayed on the premises requesting that customers leave the premises in an orderly and quiet manner keeping noise to a minimum.

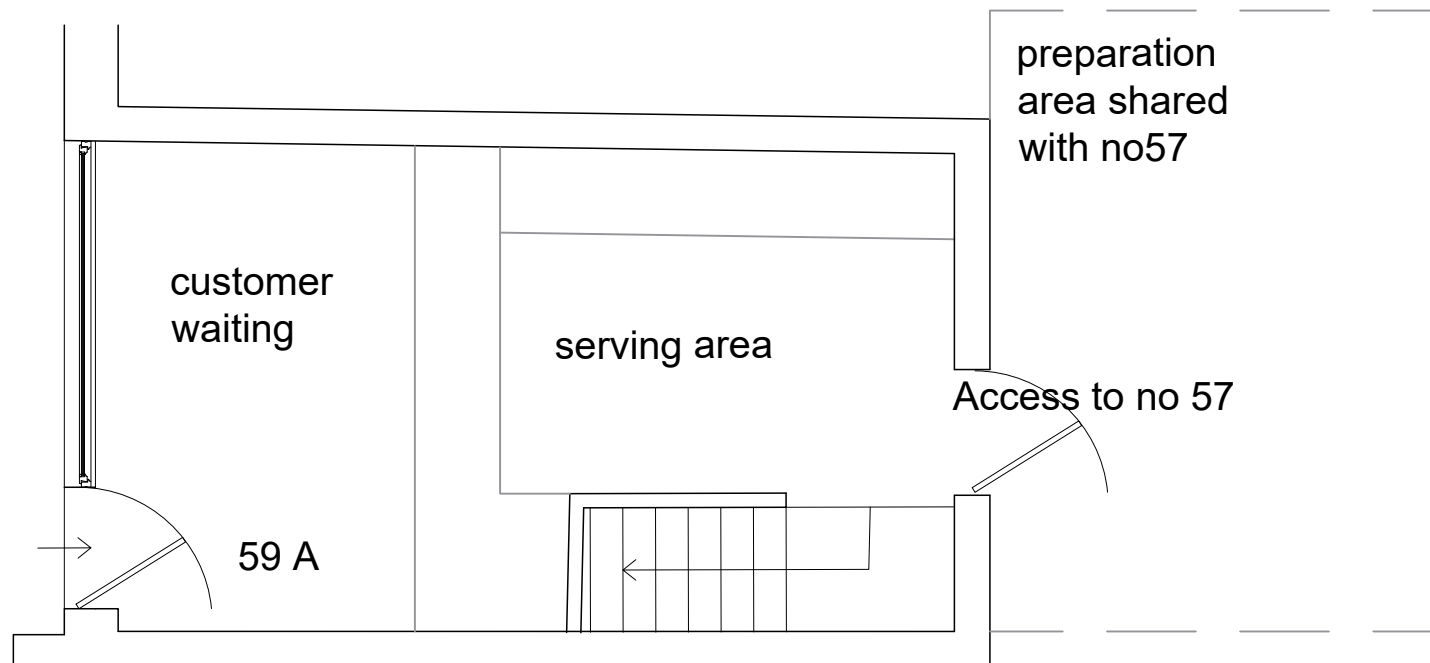

The protection of children from harm

Staff shall be trained to recognise and manage problems associated with late night trade. All such training undertaken by staff members shall be fully documented and recorded and signed and dated by both the employee and the Owner. All training records shall be kept on the premises and made available to officers of any responsible authority upon request. Further verbal

reinforcement/refreshers training covering the above will be carried out thereafter at intervals not to exceed six months, with the date and time of the verbal reinforcement/refreshers training documented.
