Dear

The Annual Electoral Canvass 2026 has now commenced.

By law, the Canvass is conducted every year to update the electoral register.

You are requested to follow the steps below to respond. As part of your update, you will need to confirm whether there are any changes to the details we hold for your property on the electoral register.

It takes just a few minutes online, and only one person in your household needs to respond. Please respond by the DATE:

- Visit the website:
<https://www.householdresponse.com/midsussex>
- Enter your unique security code
Part 1: 12345
Part 2: 678910
- Update your household information and click 'submit'

You can also respond by:

Phone: 01444 477003, or

E-mail: elections@midsussex.gov.uk

IMPORTANT: Adding someone to your property via the Household Response Service does not mean that they will automatically be added to the electoral register. If you add any new people, they will need to complete a separate registration application. They can do this online at: <https://www.gov.uk/register-to-vote>.

We will send each new person an invitation to register form if they do not apply online.

We have contacted you via email as you have previously provided us with your email address. Providing an email address gives us a quick and easy way to contact you about your registration.

If you no longer want to be contacted by email, please e-mail elections@midsussex.gov.uk or you can unsubscribe on our website [here](#).

If you have any queries or need further information about the annual canvass, please contact us using the details above or visit our website [here](#).

Yours sincerely

Kathryn Hall
