Good afternoon,

Following a meeting held yesterday afternoon please find below the amended comments from Twineham Parish Council in relation to policies MM74, MM76, MM82 and MM92.

Twineham Parish Council is extremely concerned about the effect this development will have on the surrounding rural road network. The local lanes are unsuitable for large amounts of traffic with Council's main worry being the large number of vehicles that will be generated for Twineham Lane and Hickstead Lane if the developers are allow to divert traffic from Reeds Lane.

Kind regards

Clerk to Twineham PC
