1. Background to the Review

Local authorities must review their polling districts and polling places for UK parliamentary constituencies at least once every five years.

Compulsory reviews must be started and completed within the period of 16 months, beginning on the 1st of October every fifth year after the 1st of October 2013.

The relevant legislation can be found in section 16 of the Electoral Administration Act 2006 (as amended), the Representation of the People Act 1983 and The Review of Polling Districts and Polling Places (Parliamentary Elections) Regulations 2006. Guidance is also published by the Electoral Commission.

The Council's last full review was carried out in 2019 and was approved by the Council in January 2020.

2. Definitions

Parliamentary Constituency	<p>Parliamentary constituencies are the boundaries in place for UK parliamentary elections. These constituencies cannot be changed by the review.</p> <p>It is the division of the constituency into polling districts and places that is the subject of the review.</p>
Polling District	<p>A polling district is an area created by the sub-division of a UK Parliamentary constituency for the purposes of a UK Parliamentary election.</p> <p>In England, each parish must be a separate polling district, although larger parishes can be divided into two or more polling districts.</p> <p>A parish must not be in a polling district which has a part of different parish within it, or any un-parished part of the local authority area within it.</p>
Polling Place	<p>A polling place is the building or area in which a polling station(s) is located.</p> <p>A polling place within a polling district must be designated so that polling stations are within easy reach of all electors from across the polling district.</p>
Polling Station	<p>A polling station is the room or area within the polling place where voting takes place.</p> <p>Unlike polling districts and polling places which are fixed by the local authority, the responsibility of the allocation of polling stations is only that of the Returning Officer. In the case of Mid Sussex District Council, the Returning Officer is the Chief Executive.</p> <p>The scope of this review does not include that of the allocation of polling stations.</p>

3. Scope of the Review

The scope of the review and what the Council must consider as part of the review process includes the following:

- The designation of polling districts.

We must ensure that each parish is a separate polling district, although larger parishes may be divided into two or more districts where appropriate.

We must ensure that polling districts have appropriate elector numbers and are not too large where practical.

- The designation of polling places for each polling district.

We must designate a polling place for each polling district unless special circumstances apply.

Polling places must be an area within the polling district unless special circumstances apply.

A polling place must be of appropriate size and where practical, be in easy reach of all electors.

Accessibility requirements must also be considered when designating polling places.

The review **does not** cover the following:

- *Changing of ward or constituency boundaries or names, which are the responsibility of the Local Government Boundary Commission (for wards) and the Boundary Commission for England (for constituencies).*
- *The allocation of polling stations, this decision is reserved solely to the Returning Officer.*

The Council is required to publish a notice of the holding of a review.

Information about the review is made available on the Council's website via the link below:

<https://www.midsussex.gov.uk/elections-voting/polling-districts-places-review/>

A copy can also be obtained in person from Electoral Services at Mid Sussex District Council.

The consultation document will also be sent to the local Member of Parliament, District, County, Town and Parish Councillors and local political parties and groups. It will also be sent to persons who have a particular expertise in relation to access to premises or facilities for persons who have different forms of disability. Further details on the consultees we are contacting directly as part of this review can be found under section 6.

The consultation period for this review will conclude on **5pm, Wednesday 3rd January 2024.**

4. Proposals

Further information about the procedures for making representations is given later in this paper and the detailed proposals, including any comments and proposals for change, are set out in appendix A.

5. Timetable of the Review

The timetable for this review is set out below:

Publication of notice of the review	Between 17th – 20th November 2023
Publication of consultation documents including the Returning and Acting Returning Officer's comments and proposals	Between 17th – 20th November 2023
Public consultation opens	20th November 2023
Public consultation closes	5pm, 3rd January 2024
Evaluation panel will meet to discuss comments and representations received during the consultation and draft final proposals for the polling district and polling place scheme	8th – 19th January 2024
Final proposals published	16th February 2024

6. Representations

Consultees

The Council is required to consult the Returning Officer for every parliamentary constituency that is wholly or partly within its area.

We have consulted with Wealden District Council and Lewes District Council on the relevant polling districts and polling places which fall partly in their areas under the new 'East Grinstead & Uckfield' parliamentary constituency as they are the relevant Returning Officers for this area. These comments will be published on our website alongside that of other representations throughout the review process.

This consultation document contains comments and proposals made by the Acting Returning Officer for Mid Sussex District Council on the 'Mid Sussex' parliamentary constituency and areas of Mid Sussex which fall under the new parliamentary constituency of 'East Grinstead & Uckfield'.

We will also be consulting with the following directly to obtain comments regarding the review, this includes providing them with this consultation document:

- Member of Parliament
- County, District, Town and Parish Councillors
- Town & Parish Councils
- Political Parties (including Local Parties)
- Sussex Police & Crime Commissioner
- Disability Groups

The consultation period for this review will conclude on **5pm, Wednesday 3rd January 2024.**

Making Representations

Any elector in the whole of the 'Mid Sussex' parliamentary constituency, including those who fall under the new 'East Grinstead & Uckfield' parliamentary constituency, may make representations to the Council.

Representations are also welcomed from persons who have expertise in relation to access to premises or facilities for persons who have different forms of disability.

We would encourage anyone making representations to suggest alternative polling districts/places to those proposed where appropriate and give reasons for the alternative.

All representations must be received by 5pm, Wednesday 3rd January 2024.

To make a representation, you can do this via one of the following options:

- Completing our online consultation form linked below:

<https://forms.midsussex.gov.uk/form-69008/review-of-polling-districts-polling-places-2023-consultation>

- Completing a copy of the consultation form found on our website linked below:

<https://www.midsussex.gov.uk/elections-voting/polling-districts-places-review/>

- You can make representations via e-mail at: elections@midsussex.gov.uk

- Or you can contact us via post, all representations should be addressed to:

FAO: The Electoral Services Team
Mid Sussex District Council
Oaklands Road
Haywards Heath
West Sussex
RH16 1SS

All representations received will be published on the Council's website as soon as possible after receipt.

You may complete more than one representation on the proposals, provided you submit these before the closing date of the consultation.

7. Conclusion of the Review

Following the conclusion of the review, an evaluation panel will meet to discuss final comments and proposals between the 8th – 19th January 2024.

The Council will consider the Returning and Acting Returning Officers comments and proposals, and any representations received during the consultation period to make a final decision.

The Council is required to give reasons for its decisions in respect of the designation of both polling districts and polling places.

Publication of the results of the review will be made on our website on the 16th February 2024.

Revisions to the electoral register will also be published in February 2024.

In addition, the Council must publish:

- All correspondence sent to the Returning and Acting Returning Officers in connection with the review;
- All correspondence sent to any person whom the authority contacted because they had particular expertise in relation to access to premises or facilities for disabled people;
- All representations made by any person in connection with the review;
- The minutes of any meeting held by the authority to consider any revision to the designation of polling districts or polling places within its area as a result of the review;
- Details of the designation of polling districts or polling places within its area as a result of the review, including the reasons for decisions (including where no changes have been made), and;
- Details of where the results of the review have been published.

8. Challenging the outcome of the review

Following the conclusion of the review, certain persons have a right to make representations to the Electoral Commission to challenge/appeal the outcome. If, on receipt of such representations, the Electoral Commission finds that we did not:

- Meet the reasonable requirements of the electors in the constituency, or a body of them (i.e. the reasonable requirements of a particular area of the authority have not been satisfactorily met); or
- Take sufficient account of the accessibility to disabled persons of polling stations within a designated polling place.

They may then direct the Council to make any alterations to the polling places that they think necessary and, if the alterations are not made within two months, may make the alterations themselves.

9. Who may make a representation to the Electoral Commission?

The following may make representations to the Electoral Commission:

- An 'interested authority'. An 'interested authority' is the council of a parish, or where there is no such council, the parish meeting of a parish, which is wholly or partly situated within the constituency.
- Not less than 30 electors in the UK parliamentary constituency, in which the polling district and / or polling place that is the subject of the appeal is situated.
- Any person who made representations to the Council when the review was being undertaken (except the Returning Officer).
- Any person who is not an elector within a constituency in the authority's area, but who the Electoral Commission feel has sufficient interest in the accessibility of disabled persons to polling places in the area or has particular expertise in relation to the access to premises or facilities of disabled persons.

The Returning Officer may make observations on any representations made to the Commission.
