Hi Joanne,

Second email with link to BNG metric updated to reflect comments: <https://we.tl/t-QtL5qhpKDa>

If you could please confirm safe receipt that would be great.

Regards,

Nick Billington

Subject: FW: DM/25/0445 - Land At Colwell Farm Lewes Road Haywards Heath

Hi Joanne,

Please see attached the response addressing the ecology comments. This includes a note responding directly to the comments, as well as updated EcIA and BNG & HMMP reports to align with the note and ecology

comments (i.e. 3x attachments). I am not able to attach the updated BNG calculator but will email separately in a moment with a WeTransfer link to the BNG calculator also updated to reflect the ecologists comments.

Hopefully self-explanatory but any queries let me know.

If you could confirm safe receipt that would be appreciated.

The landscape response will follow.

Kind Regards,

Nick Billington

Hi Nick,

Thank you for your email.

Having looked through my email correspondence with you, I note I have now received the requested highways information of the transport note and layby plan.

I can confirm that I am therefore awaiting a response from you in respect of the ecology and landscape consultant's objection set out in my emails of the 21st and 28th March.

As previously advised, I will re-consult/re-advertise on the application once all the information has been submitted. As such I have not yet saved the highway information to the file.

I trust this assists.

Kind regards

Joanne

Hi Joanne,

Thank you for flagging the various consultee comments of note that have come through. I trust you got the highways response ok.

Can I just check that as it stands now the consultee comments you have asked for and are awaiting a response on are ecology and landscape?

We may well provide responses on the others provided too (notably heritage) but if you could confirm any others you would specifically like responses to that would be appreciated so we get set these in motion.

Regards,

Nick Billington

Hi Nick,

I refer to the above application currently under consideration.

Please find attached the comments from the Councils Landscape Consultant. In this they are currently objecting to the application and are requesting that additional information is supplied on landscape character.

I would be grateful if this can be provided for further consideration at your earliest convenience.

I look forward to receiving this from you.

Kind regards

Joane
